

Meet

Olivia

Kim

Olivia

She stays in hall on the weekdays and goes home on the weekends.
Rooming with Kim in hall.
Lives with her family at home.

Wants to be a responsible daughter and roommate but has no time to organise her life.

Kim

Stays full-time in hall.

Enjoys hanging out with friends.

Finds it a hassle to keep track of all the chats and expenses she made with different groups of people.

Carl has been waiting for you.**

3 Simple Steps To Start

Notification

Check who is in the room.

Get updates from your roommates.

View your upcoming events in a glance.

A 3D architectural rendering of an empty room. The walls are a light beige color, and the floor is made of light-colored wooden planks. On the left wall, there is a window with a dark brown frame and multiple panes. On the right wall, there is a dark brown wooden door with a silver handle. The room is empty, and the lighting is soft and even.

Every user gets their
Unique
Experience.
